Hi, Rick:

I'll be in Seattle next week - Aug 20-25 - to visit family and friends and have arranged to have dinner with Ed Chu.

Would you be available to talk by phone to advise me on areas to discuss with Ed? I'm available this Friday, Aug 14, from 10 AM on.

If not, I have some time next Monday afternoon (2:30-4:00) and most of Tuesday. Your thoughts would be very much appreciated.

I hope you are well. Boy, the Animas River release is getting a lot of attention. It must be crazy at EPA.

Judy
